#### NOTES

Kid O Corona is a big, good looking brown gelding. He can cover ground! Great mix of run and cow on papers. Been used as a high school rodeo horse, moved cows and sorted buffalo. Amazing in the hills and in big mountain hunting trips, gets out and WALKS! Go all day in the hills, no issues. Will not be out long trotted. Good and broke, a real eye catcher when shed out with lots of mane and tail. Nothing bothers him. Smooth mover. Link to video https://youtu.be/dXJCS13Rtv4

**NOTES:** Super Cleat is a handsome made 15.2H 1250lb grey gelding. Super is currently getting seasoned and is clocking in the 2D with 1D potential. He is very well broke, been used on the ranch gathering, sorting, checking fence and rides good down the trail. Super runs hard, has nice rate and is quick footed through the turn. He is very soft and can move every part of his body, pivots and is very collected. Super has a ton of try and absolutely no gate issues. He handles himself very well on all types of ground and he will excel at the rodeos as all the commotion does phase or spook him. Super is a fun gelding to ride, to run and is always aiming to please. He meets you at the gate every day and loves attention. Super is good to load, haul, bath stands tied without a fuss and is good with the farrier. FMI (406)897-4717 Videos on CS Performance Horses on Facebook. Coggins.

He stands all of 15.2 with perfect short back and natural talent. We love everything about Dakota. We got him when he was 2 and started him ourselves. He does everything as nice and correct as you can get. Lopes excellent circles, soft in face, good body control. Correct pivots, easy side pass and big stopper!! This big, gorgeous, gentle gelding is about as perfect as they come. We have rode him outside and he rides just the same in any environment. Super nice gelding we are very proud of. **NOTES:** Queen De Cielo is a granddaughter of the million dollar sire, Gallo Del Cielo! We have had this filly since she was a 2 year old. She comes from the notable Asay Family horse program in Powell, WY. We didn’t get her started until fall of 3 year old year. She has come on very nice. She is very willing and talented mare with a lot of cow and natural stopping ability. We have moved and sorted cows on her in the pasture... she is a natural cow horse as her pedigree shows. This mare is gentle, pretty and has a lot of talent to go to the roping or sorting pen or a great asset on the ranch in the working string or as a broodmare. (307) 259-2728. Coggins.

He has a great foundation in his training program. He is soft and flexible and has just the right amount of feel. Remy has great collection and works incredibly well off your feet and legs. He yields to pressure and responds well to a soft hand. He is very smooth and easy to sit. This is an exceptionally nice horse and he is very athletic. He should easily excel in about any discipline desired. He has a great attitude. He has been roping the hot heels and will drag his butt every single time. I’ve roped a few slow steers out of the box and he is ready to go. Red is very broke, big stopper every single time in any ground. Good pivots, soft in the face and can close any gate. Red can have long periods of time off and will ride off like he was rode yesterday. Red is a very high end rope prospect that will excel for you. He has never taken a lame step. NOTES: Specialstreakofhonor is a ranch raised mare out of producing granddaughter of Bully Bullion. By our producing stallion Six Honors, half-brother to Sara Rose Waguespack's champion rodeo mare Brookstone Rose. We have ridden this mare on the ranch since she was a 2 year old by myself, my wife and hired help. She has recently been in Oklahoma with family working in the sale yards and wheat fields.
