NOTES: THR Hot Colored Poo is a laid back, no drama type of colt that we expected we would put on the track and then barrel race except for the sad passing of his dam POO CHENG. 30 days+ training, nice legged and great hooves and the perfect amount of white. Hottie should mature to 15.3. Used last summer as a colt 4-H project with some light riding in the fall and then ridden a couple of weeks prior to sale. He is in shape and ready to go to the track, use on the ranch or start your way on barrels. POO CHENG was a fabulous producer for us and gave us many barrel money winners such as THR SCORCHENG FIRE and THR JUSDA BEDA PERK as well as a barrel horse herself out running great horses such as RARE FRED and WHITEHORSESCANTJUMP, her futurity year. HOT COLOURS SI 102, stands at Myers Ranch along with Frenchman's Guy and is paid off all of weeks prior to sale. He is in shape and ready to go to the track and then ridden a couple of weeks prior to sale. He is in shape and ready to go to the track, use on the ranch or start your way on barrels.

Drifter is a nice made horse that has a nice handle, rides good outside and inside. He's worked behind cattle and has been roped on. He is the type of horse that wants to please. He rides around real good outside in the mountains and watches his feet. Rides around collected, lopes a pretty circle, stops, and has a good trot. He is good to look at and has that real cowboy horse look to him, he is in the prime of his life. A great horse for the mountains, trail, or the ranch. Should make a nice rope horse prospect. Stands 15 hands and is built to last. Guaranteed Sound, Coggins and Health. Current on all vaccinations. Call Joe at 801-361-6772 for questions. Just the right size at 15 hands with good foot and bone and nice body structure. Ringo has a good start under saddle with the right foundation and is ready for someone to go on with. He is a smart, quick learner and is ambitious with lots of forward. Loping a great circle and has a nice stop. With Sun Frost and Colonel Freckles on his papers this guy has the ability and breeding to make an outstanding barrel horse, rope horse and would be a great all around candidate. NOTES: MP Frenchmansphoenix is a beautiful, super athletic mare by Sherry Cervi’s “Dinero” LTE: $400,000+ out of one of Potter’s producing daughters of Lay a Patch. “Blanch” was our unanimous first pick of the 2008 Potter Ranch colt crop born at our place in Wyoming. Tim Stryker started her and put 30 rides on her as a 2-year-old. She was used on the ranch as a 3 year old but not too much, so she is sound. On the ranch she is gutsy and won’t quit. I have had her in Powder River when it is so high she is about swimming, and in some rough country where she had to think to keep herself out of trouble. She is a soft sided, cowy, easy moving, big stopping mare that is lightly started on the barrels and handles herself easily in turns. The Dinero X Lay A Patch (Sire of Sherry’s old grey horse Troubles) cross has been a powerful and versatile one with numerous top level winners in team roping, bull dogging, and barrel racing. Sherry’s futurity colt she has been doing so well on this year is a full sister, and the other ones have gone on to be great barrel horses as well. Dinero is PESI, VGBRA, and now Future Fortunes so she can be grandfathered in to that program, and she is also eligible for the Potter Ranch Incentive program which provides huge bonuses to winners of certain futurities, team ropings, and calf ropings (see http://potterranch.com/incentive.html). (307)-620-5878, or to learn more about Dinero and the Potter Ranch program visit potterranch.com. Coggins. http://www.youtube.com/watch?v=JE-b8i_Xh5Q&feature=youtube_gdata_player

Here is a 2006 mare, seasoned head/heel horse! We have raised and trained this mare. Money earners on both sides, in cutting. Well built/well bred. She is fast across the line, square and gives you a good shot. She has also been used out on the ranch as well, moving cows and branding. We really don’t be afraid to rider her high the mare really squares up and gives you a good shot. When heeling on her move out of the hole. When heeling on her has a lot of rate which lets her have a nice built/well breed. She is fast across the line, Money earners on both sides, in cutting. Well

Magic is one of the most beautiful Appaloosa geldings that you will ever find. He has nearly perfect conformation with a full mane and tail. He is a cadillac to ride and has the handle of one also. He is my dad’s horse and he has decided that he doesn’t spend time with Magic any more so he hates to see him sitting around. My dad says if he is to get a notion to ride he said he will just borrow one of mine so Magic is to be sold to some one who can enjoy him. Dad has rode him on the wagon trains, down the paved road with traffic and out for trail rides. I have ranched on him he dose well at everything you ask of him. Mandy was we call her is nice made, athletic, with speed to burn and the prim age. She will easily load in a trailer, lopes a pretty circle, knows her leads, stops, backs up, rolls over her hocks and will side pass over and work gates with ease. She has a one hand neck rein and will go where you point her. Well started in the heading end, she has a nice move and gets you right in position. CONGRATULATIONS

Joci Campbell, Bridger, MT and "Brody" a 95 Grade Black mare offered at our July 2011 sale by Judy Simonson, Loring, MT. Joci writes: "I can win money at rodeos or go ride her in the hills alone, a week after I bought her, I took her to the Cody Nite Rodeo and won the youth division on her, since then I have won over $1,000!"

Kelly Horton, Sturgis, SD and his mare "Lil Haida Glo" a 2005 AQHA sorrel mare by Haidas Little Papi sold at BLS in February 2009. Raised and offered by Buster Welch, Rotan, TX, Kelly is pictured at the Black Hills Stock Show and Rodeo, February 2011 where the duo won the #10 at the jackpot team roping that very day.

Elizabeth French, Pompeys Pillar, MT aboard "Tee" have teamed up to win saddles, buckles, and all-around titles. "I am Elizabeth French, I am 12 years old, and a daughter of Jim and Debbie French, and I am from Pompeys Pillar, MT. "I purchased my horse "Tee" at the BLS Horse Sale in March 2008. He came from the McGuire family from Wheatland, Wy, and I know they consign a lot of nice horses in your sale." Debbie adds ""Tee" truly has been a blessing to Elizabeth. They are a real team. He takes care of her.".

Duane Stellflug aboard his head-horse purchased at BLS in February 2011. Duane and "Docs Sierra Kid" won the National All Amateur at the Yost Arena in Billings on July 10, 2011. Winning the championship in the True Century Roping. Thank you for the opportunity to purchase "Kid". On July 10, Duane entered his first roping on "Kid" and won a beautiful GIST buckle and $800.

Sara Tharp, Three Forks, MT, Last time I updated you on "Up The Creek". The TB gelding I bought last August out of the loose ring. At the time he was riding well but I was hoping to get him jumping. Well...he has exceeded my expectations and is doing fabulous. He is now schooling 2'9" and am hoping to start compéting on him in July. He is not even close to reaching his limit. There are real gems hanging out in the loose pens and this is one of them. Hope you will enjoy his new jumping picture.
