Luke is a flashy, stout 14 year old bay ranch gelding. This horse has been exposed to all aspects of ranch work. He was originally trained in the cowhorse and proves his quickness and natural ability with every ride. Luke really watches a cow, is light in the face and moves nicely off of leg pressure. Great to catch, shoe and load. Luke would best fit an experienced rider. He is ready to go to work on the ranch or take him to the arena and make a rope horse out of him. Has recently been used to sort pairs and drys on the ranch. He has never taken a lame step. He is easy to shoe, load, and catch. Very cowy and quick! He works great in an alley. Best suited for an experienced rider. Call Weston with any questions at (406) 578-2141. Video is available. Coggins.

Sugar is a kids horse for sure being 12 hands tall. She works well with older kids as she has been ridden under 4-H patterns this summer. She is a great lead pony for younger kids like my 1 1/2 year old brother. She is easy to catch and groom. She will stand tied to a trailer with no problems being hauled to rodeos and barrel races and 4-H practices. Check out pictures and videos on my Moms FB under Kelsey Grice. I’m going to be 5 in December and have a new horse already so that’s why I’m selling Sugar.

NOTES: Acoastlyassettrainedon “Rainnie” as we call him, has been, in our opinion, one of the best horses we have ever raised and trained. He has always wanted to learn and please. We trained Rainnie to be an all-around type horse. He has done everything from western pleasure, parade and drill, team sorting and trail ridding. He has been in the Days Of 47 Parade and ran sponsor flags one weekend at the West Jordan Stampede Rodeo. We have taken him to several sortings and you can tell he truly enjoys it. He has had several different levels of riders on him and has always rode at their level. He has the mindset to be a kid’s horse. One of the best things about him is you can turn him out let him sit walk out catch him jump right on and ride off for he stays broke and gentle.

We have owned this horse since he was in his mother’s belly. He stays broke and gentle. We have owned this horse. One of the best things about him is you can turn him out let him sit walk out catch him jump right on and ride off for he stays broke and gentle.

Craig Nelson  Cleveland, TX

All around ranch and rodeo horse. I bought him 3 years ago from a cattle and sheep operation in South Dakota where they used him to drag calves and push and load livestock. In the past 3 years I’ve owned him, I’ve used him working cows and catching stray cattle on the roadway as well as many high water rescues during Harvey and other hurricanes and tropical storms. He’s had about 20 head of steers roped off of him and 15 head heeled. I’ve pulled hundreds of cows and bulls into the trailer with this horse; he’s an all-around horse. Has been in parades, trail rides, ran flags (previous owners pulled a single horse wagon with him), just a great been there done that kind of horse. If you’re looking for a horse to go work cows then put the kids on, this is him. He stands 15.1 and weighs around 1200 pounds. For any questions or more pictures call 832-405-0746. Coggins.

Rookie is an 8 year old gelding who runs barrels and poles. He currently clocks 2/3D times in barrels, and typically runs a mid-21 in poles. He's finished and ready for someone to run him consistently! Rookie is catty and really just athletic all around. He can be practiced during the week, and then take him out to run on weekends. He would also make someone a really nice head horse! Don't let his size fool you, he is super sweet and gentle and overall just easy to be around. Not to mention he's really good looking guy, and will make you stand out in a crowd. The only reason he is for sale is because I don't have enough time for him and he's too good to be put on the back burner. He has potential to make someone a 1/2D barrel horse with some regular hauling. He's up to date on everything, and ready to become someone's main horse! Text me at (605)569-0439 for more info. Strawberry is one of those special ponies that are hard come by. He is super kind, no bad habits or pony tricks. He is built just like a big horse should be, baby doll head, clean neck and big round hip. He is a true red roan that make him stand out in any crowd. Our 4 year old son has had so much fun with Strawberry, he goes in the corral and catches him by himself. He has learned so much from Strawberry and he has gained a lot of confidence riding him. Ian can get the saddle on him by himself and Strawberry stands patiently for Ian to figure everything out and Ian climbs all over him. Ian has ridden him all over the ranch and he has made us haul Strawberry to town with us too. Strawberry is happy anywhere we take him. He has ground manners of a gentleman and Ian can load him in and back him out of the trailer just like a big horse. For more information about Strawberry call 307-250-9655. We've pushed hundreds of cows and sheep with him, he's drug calves to the fire and been used to catch and doctor yearlings. He's pulled cows in the trailer and been pasture roped off of as well. Easy to catch and saddle, we've used him to load semis, you can open gates and gaps without getting out of the saddle. A real gentle eye catching horse he has the heart to go all day and not get wore down after dragging calf's or pushing cows. You can throw the kids on and not worry about a thing. Easy was broke out by a reining trainer as a 3 year old and has been consistently worked. She can walk, trot, lope, side pass, counter arch, sliding stop etc. She is the brokest horse we have on the ranch. She was started on the barrels in April of '18 by Tera Moody (Letcher, SD) and has inconsistently continued her training. I am positive she will be a 1D/rodeo horse or even make a jam-up breakaway horse. She has sorted calves, been calved on, and traveled many miles checking cows and calves in the pasture. I have hauled Easy to jackpots and she has been exhibitioned, but not entered. She is gritty, smooth and fun. Easy stands 15hh. No buck, kick or bite. Good for the farrier. Tailor-made gelding full of shape and profile. Gentle and safe, this gelding has covered lots of miles in the pastures as a big circle horse. Does great on the trails and in rough country. Flashy looking ranch-type gelding! Coggins.

Cookie is the nicest pony you will ever come across. She has been Louie’s personal horse for the last year. She has seen more country than a Winnebago. Cookie has a lot of go, and does not act mardy. She is safe for any level rider and goes where you point her. We have used her all over our Forest Permits and lots of gymkhana. Cookie would fit in anywhere and would be a pleasure to own. Safe and no vices. (307) 349-9366. Coggins.

Pez is a nice prospect with some great bloodlines right on his papers. He has size and bone with nice smooth muscling. He is still a stud so if you are looking for a nice stallion prospect, here he is. (406) 671-5441. Coggins.

Pancho is a big stout horse that has been used around the ranch. Sound around and ready for a day’s work. Coggins.

Lottie is a cute made smutty buckskin 9 year old pony mare. She is super gentle on the ground easy to catch with a little grain and lets the little kids lead her all over. Lottie lopes circles and has a good stop. She is an awesome lead line, walk, trot, lope pony great for eventing for an experienced rider and slows back down for a novice rider. All around pony mare for your kids or get some cute babies later down the road. For more info call or text 208-539-2206. Coggins.
