15HH, Black Gelding... CBH SUPERSTAKES (2020...Est. Purse $154 500 in Ponoka, Ab). By: HIGHER PERKS and out of Paige Ky. Higher Perks is a wonderful/talented stallion that I ran barrels on. With the likes of NFR horses, Pro Money Earners, BFA Champions and All American Futurity winners on his papers. Super is a ranch raised horse that we started under saddle as a 2 year old. He has been hauled to brandings, drug calves to the fire and been used to gather cattle in the pasture. He is a very nice mover and shows the potential you need for a barrel horse or rope horse. He has his SUPERSTAKES certificate making him eligible for the payout of est. $154 500 next year in PONOKA, Ab!!! It also makes him eligible for a lifetime of added $$$ bonus’s at various other barrel races! The Higher Perks offspring take to the barrels quickly and want to work. Super has an excellent start, with exposure to a lot of things and hauling to brandings. He is on pace in his training as a futurity hopeful. Looking forward to watching this guy run and win!!! Or spin some steers and look good doing it. (403) 495-9696. Coggins.

Eagle is an eye catching sorrel gelding with tons of chrome! Pretty bald face with a cool baby blue eye, lots of shape. Eagle is reining trained, does all of the maneuvers with ease, and is a big stopper. He has been trail rode, goes through the obstacle course, good with a tarp, and goes where you point him. Eagle is extra gentle to be around, loves attention, and is for sure an eye catcher. Could easily be shown in ranch riding, versatility, reining, and we believe he would work for a 4H kid wanting an all-around show gelding.

15 hands, 1,150# Standby is a talented young horse with a bright future. He is a nice heel horse, easy to ride, with a nice stop. Standby has plenty of run and rate which allows him to time up and be easy to catch on. He’s also been used outside many miles. He goes where you point him, is good strided, and travels out well. Standby isn’t spooky, crosses water, ropes cattle in the brush, and is good with putting in a full days work. He rides up in the bridle one handed, slides, and is soft and respectful of your feet. Standby is at an age to be used for many years and is ready to go to work for someone in most any area they choose. NOTES: Jess Stole My Heart “Stoli”. His background story is that he was sent to race training and at request of trainer was cut. When owner did not hear from trainer he found horse had nearly died from blood loss and neglect and took the horse back to the ranch where he was nursed back to health and started roping. At about 6 he was sold to a friend who said he wanted a rope horse and then sold in Montana where he was re-sold as a barrel prospect. We bought the horse a year ago and found that he was green broke but has a really big heart and is probably the kindest horse I have been around. We worked to improve him and today he is easy to catch, easy to load, not afraid or spooky and can ride out alone on the ranch. He is trustworthy and solid and just needs a lot more experience. Could go in many directions. (406) 489-7777. Coggins.

Josie, is a solid heel and breakaway horse.
She is gentle, and stays that way even with
time off. She has never offered to buck,
and has the mentality to fit most riders.
Josie is good to use outside, has been hauled,
is a money earner, and stays quiet even if
you have back to back runs. She is easy to
catch on, has a nice smooth stop, and works
the same if you ride once a week or need a
practice horse to take a bunch of runs. Josie
is a good mare, pastures and trailers with
the geldings without causing any problems.
She is great to shoe, clip, bathe, catch and
handle in every way. Josie has a sweet per-
sonality and is easy to like in every way.

Barrel racing and pole bending deluxe. Hickory is a 10 year old running quarter horse that will be sold as grade. He is home raised out of a cowbred mare by a running bred stallion. He stands 16HH with good black feet, strong stifle and straight legs. This horse likes to work! He is used in the arena and pasture riding. We recently exposed him to the flag and he showed a keen interest and athletic ability. Hick has been hauled extensively and is legged up for a season on barrels and poles. Currently, we run this horse in the snaffle. He is a free runner who starts to the right. Hickory’s specialty is pole bending. He runs down the left side and is as honest and as they come in both indoor and outdoor pens. He stands, ties, baths, and clips as they should. This is a great horse and we will miss him in the barn, we are growing a family and therefore will not be competing for the next few years. For more info: Kate 780-808-9710. Coggins.
