The number one spot at \$24,000 was claimed by Hip 74 "LTL Honey Gallo" a 2017 AQHA Buckskin Gelding x Lil Gallo x Gallo Del Cielo x Ervin Miller, Rancheater, WY.

November's runnerup at \$22,000 was Hip 67 "Count Checkula" a 2020 AQHA Chestnut gelding x Im Countin Checks x Smart Lil Ricochet and out of a High Brow Cat daughter.

Built strong and wide, the good headed, level made, big eyed guy sold to Kent Webb, Preston, ID. Quality came and quality stayed - it was solid all through the catalog at Billings as the very first horse in the gate - Hip 1 - brought \$10,000 followed by \$9,000, \$6,250, and \$5,750.

Interesting to note that three out of the top five selling horses in November were sired by Metallic Cat or sons of Metallic - the top five averaged \$20,520.

October set a record on price paid per head (that's quality!) and November saw the best November in 27 years and the most horses at a November sale since 2009. Boom. 2024 nailed it.

For everyone who thinks the horse market has skipped a step - here's the biz on the horse sale biz in Billings: Demand has stayed solid, year in and year out, for a better horse. I've seen it for 26 years, the dips, the dives, and the highs.

has a nice one-handed neck rein, big stop, roll back, backs, side passes, and works any gate. Oakley is good on the trail, crosses, water, downfall, bridges, hobbles, highlines, and feed bag broke. First time packing, she packed out our Christmas tree like she had done it 100 times. Work a flag off of her, not fazed by tarps or slickers. Oakley is started on working a rope and has tracked the sled. She is the perfect individual to use at the feedlot and on the ranch. She has also packed a flag and would make a lovely drill team horse. She rides bareback with a halter and you can mount her from a stool or the fence. She stands great for the farrier, stands well tied, good to catch, good to saddle and bridle. Good to bathe and clip. She loads and hauls well and backs out of the trailer. Good in the herd. She is 6 panel N/N and current on her vaccinations, deworming, teeth and will be freshly shod prior to the sale. Oakley is an overall nice mare and we welcome and encourage anyone interested in her to reach out to us. We would love to visit with you about her. Take a look at her video. You will not be disappointed. Vet checks available at buyers expense. Follow us on Facebook and Instagram at Flying K3 Ranch for updates on Oakley. Ranch, Heel, and Breakaway, too!!

BLACK TYPE/EXTENDED PEDIGREE ~ ONLINE SESSION - DOUBLE DOWN PLAYBOY - 2018 AQHA Bay Gelding x Playboy Again x Freckles Playboy out of Freckles Double Lena x GL Lenas Double Play. Goose is a very athletic gelding that is super broke in the bridle and I have owned and used him on the ranch since he was three years old. There is nothing he can't do on the ranch due to having many logged hours of moving cows in very rough mountain terrain. Goose is very fun to sort cattle in the corrals or out in the open. He has also dragged a ton of calves to the fire and doctoring plenty of cattle outside. Besides this, Goose has been heeled on and breakaway calves in the arena. Overall he would definitely make someone a very good arena prospect or their number one ranch horse. VIDEO: <https://www.youtube.com/watch?v=I26RWS2UndA> FMI: 509-322-1035. Coggins. FC33
