Our Sons & Daughters Event

What is a Black Type Pedigree?

A **Black Type Pedigree** page can be likened to a horse's resumé. Besides the horse's name, registration number, foaling information and 3-generation family tree, one can see at-a-glance the outstanding performers in a horse's family line, along with how this horse compares to other horses.

Both breeders and buyers seek horses with a Black Type Pedigree. A buyer can make a better buying decision and thus get the right horse at the right price.

Borrowing the idea from the racing industry, Robin Glenn of [Robin Glenn Pedigrees](#) developed the Black Type Pedigree system for the Western Performance horse market.

How do I read a Black Type Pedigree?

Black Type refers to the boldface font used to highlight the significant and verified achievements of the performers in a horse's family line.

A horse's name in **BOLD CAPITAL LETTERS** refers to Breed World Champions, NSBA World Champions, AQHA / APHA / PHBA Champions, Superiors, NCHA Bronze / Silver / Gold / Platinum Awards and/or money-earners of more than \$10,000.

A horse's name in **Bold with the First Letter Capitalized** refers to Reserve World Champions, Congress Champions, AQHA Select World Champions, High Point Horses, AQHA / APHA / PHBA ROM's, NCHA Certificates of Ability and/or money-earners of more than \$1,500. All other performers appear in regular type.

Also, if a horse is said to be a **Brother** or **Sister** to another horse, this means they are a full sibling sharing the same sire and dam. If a horse is said to be a **Half Brother** or **Half Sister** to another horse, this means they share the same dam but have a different sire.

Our Soundness Guarantee

Buy and sell with confidence - Credibility and Dependability are important to us.

To further define our policy, if the horse sells at 6 p.m. on the Saturday of our sale, the horse will be guaranteed sound for an additional 42 hours - Noon on Monday in regular session, Wednesday noon in ONLINE portion. **Horses are not sold to pass a post purchase veterinarian exam or "Vet Check" nor is rideability guaranteed. We are offering 'Hollywood' as an opportunity to his next owner as a potential pickup, ranch, rope, pleasure, or broke-to-do anything horse: he has experience with it all. He started young as a ranch horse, he loves branding time, and moved into rodeo about the time he was 5 years old as a pickup horse which he is, still to this day, exceptional. At 13-years-old, 15.3hh and 1250lbs Red Dun - Hollywood knows the ins and outs of the rodeo arena but is also a pleasure to ride outside. Hollywood is also a little bit known for his summer-time mustache... He is a very friendly horse, will leave other horses when you walk up and speak to him in the corral or out in the pasture and is very easy to be around; our family has all spent time in the saddle on Hollywood. BLACK TYPE/EXTENDED PEDIGREE ~ ONLINE SESSION – PRR SMOKED WHISKEY – 14.2 1100lb gelding. Exceptional bloodlines that complement the conformation and disposition of this handy gelding. Making him the ideal ranch, performance horse. This fancy little gelding is a power house. Strong, calm demeanor and a smooth traveler. Walks out, not buddy/barn sour, willing, hardy, steady, good in tough country. Lively and a confident mover, not hot or on the bit. Gather, sort or rope, he's right there working with you. Pays attention to a cow real well, can be counted on to be where he needs to be when he needs to be there. This handy, well balanced guy has great conformation and a lot of eye appeal. Would make a really nice show/bridle horse with a little bit of polish and finished out. This is a fun horse with a business like attitude that likes to have a job. Friendly, comes to greet you but not in your face type. Good to shoe, vaccinate, worm, load and tie. The right size, easy keeper, sound and no maintenance. He does ride out tight first thing some days so he needs an experienced rider that will give him his due to warm up. Hops around some but is quick to work out of it and is very honest after that. Don't miss out on this fancy, handy little bay. He makes those long days much more enjoyable. Vaccinated, wormed, teeth floated September 2024. Does best with geldings only, thus the reason for sale. I am a number 4 header and 63 years old and he looks after me. He works at my level but also excels at the higher levels as well. I inject his joints once a year as a performance horse it keeps him comfortable and performing at the highest level. My grandsons love to ride and feed him. I am not a horse trainer I just have too many to ride at this time so one has to go. Hollywood is the boss in the pasture so I don't but him in with younger horses as he can be aggressive with them. IKONIK PEPPY SUSAN – Honey is a lovely 3-year-old mare out of OBryan Arena's PC IKONIC. She is EVERYTHING you want in a prospect-- smart, athletic, gentle, and not to mention beautiful! I have owned her since she was a weanling and she has taken everything I have thrown at her in stride with a great attitude. She has been worked on the ground and ponied extensively and is ready for her next owner to take her the rest of the way! She stands great for the farrier and vet and has handled her limited hauling very well. PC IKONIC's offspring are known for their gentle demeanor, general agreeability, and versatility-- no matter which way you choose to take her she will be a lovely mount for many years to come. She is eligible for the 5-State Breeders Futurity, the Gridiron Futurity, and NEXUS if you choose to make her into a rodeo horse. Many of her relatives are successful rodeo and ranch horses and she is ready to follow in their footsteps! Whether you are looking for your next working horse or a future champion in the roping or barrel pen, she will fit the bill with grace and ease! SHINES DUNNY – Shines Dunny is very well bred gelding by top reining stallion, Shine Chic Shine, by Smart Chic Olena. At 15.3 and 1300 lbs., Dunny is trained in the reining and knows all his maneuvers including a huge sliding stop and massive turn around. He has now made his mark as a gifted switch end team roping horse. With his high-end ability on the head side he has been hauled and won on at the jackpots and open ropings. This horse has natural talent with lots of cow and rate. He handles steers effortlessly staying collected and has a big butt draggin' move before he glides across the pen. He's also a nice heel horse and easy to rope on, good in the box, tries hard, big stop. Dunny is very user friendly and would fit approximately a #4 roper and above. He is one of the kindest horses on our ranch. He'll meet you at the gate and loves attention. Hes been ranched on extensively the last few years branding calves, doctoring yearlings and loading trucks. He is SAFE for absolutely anyone and would fit a little kid like a glove. The lesson kids choose to ride him bareback in a halter, lope him off and enjoy him. Don't miss a shot at owning one that will teach you the ropes and take care of you. VIDEO: Contact Seller. NORTH COUNTRY QUARTER HORSES SPECIAL OFFERING - BLACK TYPE/EXTENDED PEDIGREE ~ ONLINE SESSION – BLACK IN DA CASH – We are proud to offer Black In Da Cash for sale. He has been our senior sire for us at North Country Quarter Horses, and he has produced many fine prospects. His colts have good size, athleticism, and a trainable mind. Black In Da Cash is a great all-around stallion, crossing well on both our Frenchmans Guy granddaughters and our foundation bred mares. Black In Da Cash colts have great foot and bone, nice withers, big hips, and have good heads. His foals are kind, friendly, and very correct. Black In Da Cash has produced some great rope horses, solid ranch horses, and some barrel horse prospects. He is a very versatile sire with both speed and cutting horse genetics in his pedigree. His foals are very well received, as he has topped our sale seven times over the years. He produces foals with a lot of balance, eye appeal, and color. He has mostly pasture bred his mares, but he can hand breed as well. He is very kind to his mares and his foals. He gets along well with other horses. When "Cash" is not with his mares, he is turned out with the other stallions. He was broke to ride, but was unshown due to injury. His front left shoulder gets sore due to an injury in the breeding pasture. He usually covers 10-25 mares per year. Black In Da Cash has many productive years ahead of him. Cash is a cowboy colored gelding that stands 15.3 hands, tips the scale at 1300# and is well broke to ride. With his unique grullo roan color, size, and athletic ability he is sure to get you noticed anywhere you take him. He is gentle every day you saddle him, and sure enough has the potential to be your next top ranch or rope horse. Cash will pop right into his leads, has the nicest lope you could ask for, and hunts the ground when asked to stop. He also has a nice turn around, moves laterally off your legs and has a nice slow jog. He rides just as well out of the arena too. We have ridden him down the trail, along the highway, across the rivers, and through town where he is sure footed and handles everything in stride. Here is a big, beautiful stand up gelding coming into his 6 year old year with a great foundation and his whole life ahead of him. Cowboy is a big, pretty, buckskin gelding that stands 15.1 hands. He has been used for all aspects of ranch work. He has drug hundreds of calves to the fire, roped and doctored yearlings outside and penned back cattle at the sale barn. Cowboy is well started roping both ends in the arena. He has been rode countless miles trail riding. He rides out alone or in a group. He crosses all the obstacles with ease and is good with a tarp. PPEs welcome at your expenses. Comet

2009 Grade Red Roan Gelding

Melissa Kepler Fishtail, MT

To ride him is to love him! COMET is a 2009, 15.2-hand heavy-built red roan dream horse. He is fancy broke, quick and responsive, athletic, hard-working and focused. He wants to please and will do ANYTHING you ask. You'll never enjoy a trail ride more than on the back of this beauty. He has a ton of leg and bone, and is solid, sane, and sound in every way. He's UTD on shots, teeth, and worming. He is one tough mountain horse, and extremely sure-footed in any terrain. Ride him alone to check fences or collect a stray pair in a hail storm at night, or mosey with friends on a sunny trail ride to enjoy the views. He has done everything there is to do on a ranch, and Comet will give you his all, all day long, every day. My best story about riding Comet is from a brisk day last spring. We still had a lot of snow on the ground, but you could hear the creeks beginning to wake up deep beneath the snow and ice. I pointed Comet down the side of a steep ravine. He slid down, but when we landed at the bottom, the ice shelf beneath us gave way with a tremendous CRRRAACCKKKK and began to float downstream! I braced for the inevitable explosion any rider would expect in such a situation, but Comet crouched like a cutter, rode the ice like a skateboard, and when it came to rest a few yards downstream, calmly stepped out the other side and climbed the opposite embankment. No panic, no drama, no ice bath for me. The only negative about Comet, and the reason we are breaking our hearts by parting with him, is that he can be rough on other geldings in a mixed herd. With mares alone, or with geldings alone, he is a gentleman, but put them together, and he wants to be the main man. VIDEO: https://www.youtube.com/watch?v=NtWNdIAC_WO FMI: 303-877-9151. Coggins.

He's gentle and kind and wants to please. Cash has been doctored on outside and you can tie off to him. He runs hard to cattle and rates well. He hasn't spent much time in an arena but it wouldn't take much to have him roping both ends. He's sound and straight and ready for whatever you throw at him. We call this gorgeous Gray AQHA gelding Smoke! He stands 14.1 hands, weighs 1100#, and is very well broke to ride. We have had the pleasure of owning this cool dude for a year. His handy size has made him a joy to ride by our whole family. Smoke reminds me of an old soul in a young body. He is absolutely gentle every day you ride him, and does whatever you ask of him. We have all ridden him in the arena as well as down the trails, busy highways, and through town. Smoke made it in the trailer to several weekend camping trips and state parks last summer. Kayla also hauled him to ranch horse shows, and team sorting practices! He is cow bred all throughout his papers and he definitely expressed that on a cow. Smoke has not been phased by the chaos the kids have thrown at him. They have come at him with leaf blowers, tarps, balls, scooters, and bicycles, but he remains as calm as can be. He is easy to ride and maneuver, whether you're in the arena or out on the ranch. In the arena he is soft, supple, and willing. He has a nice jog, smooth lope, likes to stop, and displays athleticism. Smoke is one of those hard to find nice all around geldings that is easy on the eyes, and the right size for the whole family to enjoy with his whole life ahead of him! He is registered as a palomino but turned gray so we will have that corrected by sale day. FMI, photos and video please visit www.hansonhorseranch.com VIDEO: Contact Seller. FMI: Jordan 507-272-3571. BLACK TYPE/EXTENDED PEDIGREE ~ ONLINE SESSION – SPOTS HOTSTUFF – Bud was trained as a cutting horse with NCHA earnings of \$21,758. He moved to a guest ranch where he was tried as a guest horse but that lifestyle wasn't suited to him. He remembers all of his training. He has a scar on his back right leg from an old barbed wire wound but it's topical only with no resulting soundness issues. He crosses water, opens gates, goes out on the trail and loves arena time. Bud is difficult to catch out in the pasture but he comes to grain. He's got very sensitive ears but I just unbuckle the headstall to slip it over his ears and he takes the bit easily. Chex has been used all over the ranch, been roped on in the pasture, pulled the sled with kids, and even the kids have been riding him and he will do whatever they ask of him. Give him a couple more years and he will be a deluxe beginner safe ride for anyone. Chex stands tied, stands for the farrier, crosses water, logs and anything else you throw in front of him. Good with time off and never cold backed. Rides bareback and in a halter. He knows the maneuvers to get started in the cowhorse, started breakaway roping and on the heel side. BLACK TYPE/EXTENDED PEDIGREE ~ ONLINE SESSION – WS DANDY DRIFT – 14.3 hands buttermilk buckskin gelding. Tux has been competed on in the heeling at the South Dakota High School Rodeos. He is used as a practice breakaway roping horse and used on the Smarty at home. Tux is super broke and I can do most anything on him. I have ridden him all over the trails of the Black Hills, roped calves all day in the branding pen, ranched on him, tied down calves in the pasture to doctor them, and loped the barrels. When I haul him, he is gentleman at the trailer, he doesn't spook at new sites, and he takes care of himself so he doesn't get hurt. Tux likes people and is easy to catch, gentle, and he really likes baths. He doesn't require a lot of riding because he works the same every day whether he is ridden daily or monthly. He requires zero maintenance. I have owned Tux since he was four years old. I am done rodeoing, am in college, and Tux is just too nice to not be used. VIDEO: Contact Seller. Blue Doc is one FANCY 15.1 hand 1350# gelding that is gentle and well broke to ride. This gelding was bred and raised by a good friend in our area that is known for raising good looking blue roans. We had the pleasure of training this beautiful gelding back when he was 3 for Kayla's parents. He was a joy to ride from the start and grown into one nice all around gelding. The past 4 years Kayla's parents have rode Blue Doc at every weekend camping trip they have been on. He's seen every mile of trails at several state parks and camping sites in MN, IA, WI and Eminence, MO. Not only has he excelled out on trail, but he is no slouch in the arena with the smoothest lope you'll ever sit. Blue Doc is soft, supple, steps right into his leads on cue, and stops well. Kayla has hauled him to the ranch horse shows and placed well on him. We have also hauled him to ranch rodeos, fun day shows, team sorting & team roping practices. Kayla has been learning to rope slow steers on him and he does an excellent job remaining quiet in the box, tracking to position and giving her an opportunity to catch. We also have both ridden him many miles on our annual Pony Express ride alongside major highways without a bobble. The list of things we have done with Blue Doc is endless. This good looking gelding has been in our family his whole life and we are very proud to offer him! Blue Doc is a cowboy colored gelding that comes with a long resume and is ready for his next owners to enjoy him as much as our family has. Current on dental, deworming, and farrier! Blue is a good looking ranch gelding that is as handy as can be. He really rides around fancy. I've had this horse for a long time and he's always been super good. He has seen miles trail riding in the mountains, goes where he's asked and doesn't give any hassle. He has done all the ranch chores but also rides well in the arena. He rides good off your seat and legs, has good lateral movement and a very nice stop with a good one handed neck rein. He is registered bay roan but there is a color correction with his papers in the office. PPEs welcome at your expense. VIDEO: Contact Seller. FMI: Paul 307-281-2273. Coggins.

BLACK TYPE/EXTENDED PEDIGREE ~ ONLINE SESSION –

COOL UGLY GUN – Quince is a top-tier, double cool Playgun bred gelding standing 15.1. This horse has tons of bone, size and muscle but rides like a little horse. He is a size 1 shoe and has clean x-rays on hand. Quince is a finished head horse that's been hauled to the open jackpots down to the number 11, he has more cow than he knows what to do with and is gritty strong to the horn, he has the best face you can find. Quince is an athlete and a freak on the head side but he is just as good to heel on. If you're looking for one to win on, this is him. He is dirty broke and trained to the hilt. We've had him for the past five years, and in that time, he's proven himself as a versatile, seasoned ranch gelding who can do it all. Bred and raised by a close friend on a cow/calf operation, he's been used for countless hours doctoring yearlings, dragging calves to the fire, and working cattle in any setting. Quince has been used to shag bulls, pick up bucking horses, snub colts, so he's seen every corner of ranch work, Quince is a certified ranch manager. He will spin a hole in the ground, shimmy on a cow, and drag his behind when you say whoa. Whether you're stripping pairs at the gate or working a tough set of cows, Quince is the horse you want underneath you. He's got more cow in him than any gelding I've ever ridden. If you're after a solid ranch horse that you can haul to the high number ropings and win on, Quince is the one. VIDEO: Contact Seller. FMI: 209-342-7061. Coggins.

BLACK TYPE/EXTENDED PEDIGREE ~ ONLINE SESSION – GRAVES RED FIRESTORM – Grasshopper is what we call your one stop shop horse. He can literally do it all! He is very broke, with a one hand neck rein, he moves off leg pressure, and has a fantastic spin. He soft in the face and stays broke. He been rode outside, down the trails, in parades, doctored and branded on. He has the speed, rate and stop that any horseman is looking for. He has a wonderful disposition and loving attitude. He has been hauled in a livestock trailer, slants and ramps, etc. There's not really a lot that bothers Grasshopper. He cross ties, he will stand tied in the wash rack, ties to a tree, trailer, or pretty much anywhere. He is a smooth and levelheaded as any horse you'll throw a leg over. He's beautiful stride and is definitely a horse to go to choose. He stands 14.1hh with big bone and excellent feet for his size. He is up-to-date on his dentals, shots, worming, and shoeing. HIGH VOLTAGE – Enrolled in Future Fortunes. We are proud to offer Oakley for your consideration. She is a very kind and gentle mare, standing 15 hands with a nice hip and good bone and foot. She has a nice one-handed neck rein, big stop, roll back, backs, side passes, and works any gate. Oakley is good on the trail, crosses, water, downfall, bridges, hobbles, highlines, and feed bag broke. First time packing, she packed out our Christmas tree like she had done it 100 times. Work a flag off of her, not fazed by tarps or slickers. Oakley is started on working a rope and has tracked the sled. She is the perfect individual to use at the feedlot and on the ranch. She has also packed a flag and would make a lovely drill team horse. She rides bareback with a halter and you can mount her from a stool or the fence. She stands great for the farrier, stands well tied, good to catch, good to saddle and bridle. Good to bathe and clip. She loads and hauls well and backs out of the trailer. Good in the herd. She is 6 panel N/N and current on her vaccinations, deworming, teeth and will be freshly shod prior to the sale. Oakley is an overall nice mare and we welcome and encourage anyone interested in her to reach out to us. We would love to visit with you about her. Take a look at her video. You will not be disappointed. Vet checks available at buyers expense. Follow us on Facebook and Instagram at Flying K3 Ranch for updates on Oakley. BAKER BOWMAN – Thor stands 16 hands weighing 1300 and wears a size 2 shoe. He's a big stout heavy made horse with a pedigree to go along with him. He's gentle gentle and will go whatever speed he is asked. If you rope in the 8's and 9's he will fit you, but if you need some speed and talent for the higher numbered ropings he's got all of those capabilities as well! Thor has been used outside to doctor yearlings, brand calves, sort pairs, and he's been used in the feedyard. He's got a fancy handle and a lot of talent for a big horse. BLACK TYPE/EXTENDED PEDIGREE ~ ONLINE SESSION – HITCH N A DOUBLE – Registered with the American Half Quarter Horse Registry. This mare would make a great High School or College Rodeo mount. She's got more go than Woah and has a strong work ethic. She had a bit of a late start and was lightly run in her futurity and derby years with consistent 3-4D times, but LOTS of room to improve. We've been using her as a ranch horse the last year and spent a lot of time on her moving cattle at the auction mart. She's just had a refresher on the barrel pattern and has picked up right where she left off and is ready to start adding more speed to get to the next level. She's also run poles and been started as a head horse and has seen lots of miles outside of the arena. Had injury to coronet band as a 2 year old and is prone to quarter crack in front foot. Has never been an issue with proper farrier care and shoes. VIDEO: <https://youtu.be/DYZ9L7UZYI8> FMI: 706-231-8044. Coggins.

Kimber
2021 Grade Palomino Belgian/QH Cross Mare

Kimber is a stunning coming 4-year-old draft cross mare. She has a beautiful dapple palomino coat that catches the eye. Kimber spent her summer working at a guest ranch outside of Yellowstone National Park experiencing crossing water, bridges, and encountering wildlife. Kimber has ponied colts, led pack strings and been packed. She is big and stout enough to drag whatever you need or pack. She neck reins, moves off your leg, and rides well. I've loved riding this big pretty yellow horse. She can be spooky on the ground but is solid in the saddle. She's quick to respond and an athletic draft cross mare. If you are looking for an un-started 2-Year-Old take a look at this nice gelding. Cotton is a super cute gelding with lots of potential in the cow horse world. He will make a great arena prospect or ranch horse. He is halter broke, stands tied and is good when you work with his feet. He has not had much round-pen work but is coming along nicely with his ground manners. Cotton is naturally gentle with a kind and willing disposition. He would make a great youth project. Sire and Dam are 6 panel negative. Eligible for AQHA Ranching Heritage Challenge. VIDEO: Contact Seller. FMI: Dan 406-853-3554. Coggins.

This filly is as fancy as they come! Betty has a stacked pedigree and will be one to build a breeding program around. She is built correct and stands at 15hh. She is gentle and easy to get along with. Easy to catch and gets along with other horses. Stands tied, stands for the farrier, crosses water, and is desensitized to tarps, whips, dogs, ATV's. She is extremely athletic and talented and wants to bridle up really soft. She lopes nice soft circles, take both leads, spins, side passes, and has a really nice stop. She has been ridden lots outside as well as in the arena. She is started breakaway roping as well as on the heel side. She will watch a cow, and is starting to track up nice. She will excel in just about any direction you take her. Finish her out and use her and then breed her, she is the all in one kind of package. She has some superficial scars on her hips from a wire cut as a baby. They aren't very noticeable and are merely cosmetic. VIDEO: <https://youtu.be/n7GBLN8Dc> FMI: 307-461-7050. Coggins.

2015 Grade Light Sorrel Molly Mule

Star Whitt Nate Cumin Big Timber, MT

HONEST, SAFE, GENTLE, TRAIL MULE! 15.2hh 1100 lbs. Jewels is all business! If you're looking for one to saddle up every day or once a year to hit the trail of adventure, this gal is for you. She has been ridden all over the mountains of Wyoming and Montana. We have used her on the ranch and in hunting camp, where she has packed elk (and all the noisy stuff), wrangled the Remuda, guided elk hunts, and been ridden by many inexperienced riders. She's a great lead mule, with a nice, smooth, ground covering walk, no balk, and tackles all the obstacles fearlessly. Hobble and picket broke. Can be hard to catch, until she gets to know you. No blemishes, sound, good to shoe, easy to saddle and bridle, rides with crupper or britchen, and neck reins. Old enough to be over the nonsense but young enough to be a pleasure for many years to come!

Just a few short months after being started he was dragging calves. He is super trainable and takes everything with ease. You can turn him out for as long as you like and catch him up, he will be just like the day you got off of him. He is a perfect gentleman for anyone that rides him from handy cowboy to novice riders. His favorite speed is slow, he's more whoa than go, which makes him ideal for someone who wants to take it easy and soak in the sights of a trail ride. However, if you need to call on him for a job, whether it's pasture roping a calf to gathering cattle and sorting pairs or dragging one to the branding fire, Louie is your guy. This gelding is the definition of all-around and is trustworthy and reliable. VIDEO: <https://youtu.be/eUcZy2TZIy8?feature=shared> FMI: 214-293-6737. Coggins.

Waldo is a strong buckskin gelding standing just shy of 16hh ready to be put to work as your main mount. This big boy will help get the job done and will handle a difficult task easily due to his large bone and body structure. He has been used on the ranch as well as used for roping bulls at various rodeos and bull ridings. He can pull with ease to clear the arena in no time. Waldo is ready to be someone's go to. He loads and hauls well in the trailer and travels well. He has no issues eating and drinking on the road. He is up to date on farrier, deworming, and 6-way vaccination. Teeth were done in April of 2024. He is also very well behaved getting his feet done, to give any syringes orally to, and to give needles to. He's good with other horses and would fall in the middle of the pecking order. He is a gentle giant and won't bully other horses and won't walk all over you on the ground. He has a couple hard boney bumps on his right fetlock that were from an old injury but has been looked over by a performance vet and it does not affect his soundness. He has a few various bite marks that have discolored his hide upon regrowth but they are strictly cosmetic. Minor maintenance is required (xrays are available). VIDEO: Contact Seller. I have loaded trucks on him, penned back and doctored a lot of sick cattle in the feedlot. He has a lot of feel and athletic ability, I would not recommend him for an inexperienced rider. Jagger has a tremendous amount of run and rate on cattle, I feel he would make a very high level head horse. I have tracked the dummy and penned roped fresh steers on him. Swiftie
2013 Grade Sorrel Quarter Pony Mare
Melissa Kepler Fishtail, MT

Swiftie is just shy of 14H, she sells grade, but she is 100% purebred Go-Pony! Swiftie is an absolute dream for any little kid who wants to go fast. She would make an excellent step-up horse for a youth ready to start winning at junior rodeos or Little Britches or 4H gymkhanas or playdays. My kids have won some money on her, and her previous owners took her to the Ohio State High School Rodeo Finals where she won the state goat-tying buckle. She is completely sound, sane, and healthy, with no vices. She can do 4H pleasure classes and collect and pick up the correct leads, but she is much happier at speed events. She can be ridden bareback with a halter and leadrope across the pasture, or draped in rustling costumery for the Homecoming parade. She crosses water and bridges and goes alone or in a group. She leads, follows, and gets along great with every horse in the pasture. She has an exuberant puppy-dog personality, galloping up to greet you and following you everywhere. She LOVES attention and thrives in chaos, making her the perfect horse for an active family. She is strong and stocky built, so she is a handy size for an adult too. She's an enthusiastic trail partner, and you don't have to tear your pants trying to get on! Swiftie is probably better for a rider with some experience; while she's never mean and has certainly never bucked, she gets excited and will run right past a barrel if she's not actively being steered. She doesn't spook at ANYTHING, but she's so forward and frisky that she can intimidate a less confident rider. She'll walk into the ring flat-footed, but she'll bound into action at the slightest permission. Swiftie has never known bad care; she has always stayed totally UTD on shots, farrier, teeth, and the highest quality feed. She has a new set up shoes, although she has wonderful hard hooves and goes just fine barefoot. VIDEO: <https://www.youtube.com/watch?v=OhUwjDJJy5Q> FMI: 303-877-9151. Coggins.

Sarah
2020 Grade Dun Friesian/QH Cross Mare
Hanson Horse Ranch Preston, MN

Sarah is beautiful Friesian/Quarter Horse cross mare that stands 16 hands, weighs 1450#. She is well broke to ride and has a presence to her that is sure to get you noticed! Sarah is a pleasure to have around the barn, and gentle every day you saddle her. She is a fluent mover, and extremely fun to ride. Sarah will side pass right over to a mounting block or gate for easing mounting. She will take her leads on cue, pivot over her hocks, side pass, and neck rein well. We have ridden Sarah down the trail, along the highway and through town where nothing phases her. This black pointed Dun mare is loaded with shape, size, brains and finesse! Sarah also passes these qualities on, as we raised an extremely nice dun colt out of her last year. Although she was a great mother, we did not attempt to breed her back as we wanted to continue riding her. So she is currently open and sound to breed to the stallion of your choice, if you so desire. She is straight legged, blemish free, has a very keen head and her hair coat is shining with dapples! We have ridden her bareback, English and Western. Sarah is truly a one of kind fancy Friesian/Quarter Horse cross mare that is fun to ride and ready for you to take home and enjoy! Tate & Hadley Magilke Towner, ND

Richie is by a Percheron stud and out of a quarter horse mare. He is loaded with talent and I think he could make a pick up horse, bull dragger or ranch horse. He's not your big, tall crossbred, he's the perfect size standing 15h with all the draft characteristics but he is handy and quick footed. He will be a go all day, tough as nails gelding. We really like the way Richie travels. He is smooth moving, with plenty of speed and lots of personality. VIDEO: Contact Seller. FMI: 701-771-7152. Coggins.
