# INTERNET SESSION HORSES JULY 2024

(ShowCase Sale Session with internet broadcast SATURDAY)

Please read below the age addition to our Terms and Conditions.

As per your consignment agreement, all blemishes that do not affect the soundness (rubbed out mane, old wire/scrapes, bumps, tail chewed, etc.) must be included in footnotes OR called in sale ring at time horse sells. Any change in soundness or issues or age or size adjustment MUST BE CLEARLY CALLED AT TIME OF SALE. Horses can be sold "as is" or needing maintenance but this must be announced.

Confidence in this sale is important to us. **CALL ALL BELMISHES, CORRECTIONS, AND PROBLEMS.**

Horses in this session are guaranteed sound through WEDNESDAY unless called at time of sale. BLS Soundness Guarantee: hit the ground sound on all four; not to crib; sight out of both eyes, no blue; good in the air, not heavy.

We have added the following to our terms and conditions as of August 1, 2021: Grade catalog horses are subject to return to seller if the buyer has a dispute over the horse's age representation by seller that is verified by a licensed veterinarian within the time frame of our soundness guarantee. **Seller must announce any changes from published age at time of sale.**

Due to the large number of internet horses this month, please make sure your horse is fed and watered when you take them back to their assigned pens.

CINDY SIEMSEN at the main office is our hauling coordinator.

MIKE SIKVELAND is the barn manager for internet horses.

THANK YOU!!! We look forward to a successful sale. If you have questions, please give me a call.
