Rocky
2018 Grade Palomino Gelding
Layne Durfee Choteau, MT

Fantastic 14.3hh 1,000 pound gelding. Rocky is an excellent mount for the whole family. Lead your little kids, beginners get along with him well and you can take him out to get any job done with ease. Rocky has been through calving, branding, sorting, shipping, range riding, parades, carried flags for rodeo, trail riding in the Bob Marshall Wilderness and plenty of sale barn miles. This horse has been a great member of our family and we have enjoyed every minute we've had him. At such a young age he's got a lot of life left. Rocky does have a saddle mark on his withers and a slightly turned in right front foot that never slows him down and has never caused even the slightest lameness. Rocky is gentle with a good handle, maintains the pace you set and stays consistent with anything you throw his way. He's an easy keeper, easy to shoe, load and worm. As we offer this part of our family to yours, we hope you get the chance to enjoy him as much as we have. Be sure to check out his album full of videos and photos at Durfee Horse and Cattle on Facebook and his youtube video! Tank
2012 Grade Red Roan Brabant Gelding
Bar W Ranch Whitefish, MT

Tank is a big, flashy Brabant gelding. Talk about color! This handsome red roan stands around 15.3 - 16 hands tall, and is stout made! We bought Tank at a spring sale this year with the intent to use him in our riding program, but we think he's going to need a little more time under saddle before he's ready to pack dudes. Since that was the only reason we bought him, we've decided to see if he can find a new home that's a better fit. Tank has been out on the trails a few times since we've had him, and while nothing he comes across seems to phase him, he does not like walking in the string with slower moving horses. We've found he can be a little cold-backed when given too much time off, and we would say he's still green under saddle. This big guy will make someone a fancy, fancy riding horse, he just needs more time than we can put into him right now. Tank is also broke to drive single or double, and looks fancy doing it. He's any easy keeper, and does well turned out with big herd. He stands tied and loads in the trailer. We put all our big horses in the stocks to shoe, and he did fine with that. Can't say how he would be otherwise. He is UTD, shod, and sound. Search @BarWHorses on YouTube for videos. VIDEO: Contact Seller. FMI: 406-471-2900. Coggins.

15.1hh, 1100 lbs. Dex is a classy bay gelding. Lightly hauled as a head horse and ready to haul in the barrels. Very broke, soft-mouthed, nice handle. He's a super level headed guy, stays quiet and is a gentleman to handle on the ground. Excellent build. Always turns heads, he's a real class act. As a young colt he was ranched on, hunted on, packed elk on and started on heeling. I've spent my time riding him on the mountain, heading and patterning him on barrels and poles. He's willing and has lots of turn and rate. He's spent time at professional rope trainers and it shows, he's outstanding in the box, stays soft, shapes a steer nice and easy to ride across the pen and face. Because he's laid back he can take a ton of runs and doesn't pressure up. Selling due to our life getting turned upside down this year with cancer so all our horses got put on the backburner. This horse will suit somebody that can give him the miles and consistency needed to finish him up. Scar on hind left leg. VIDEO: <https://youtu.be/Gs70M4y0Tk8?si=72adXINM9eTjKZhV> FMI: 801-602-9599. 2016 Grade Bay QH/Arab Cross Mare
Stacey Harding Williston, ND

We've been riding this mare for the past 2 years, trained with a hackamore. Her sire is Agape Dry, with Doc Bar being her grandsire. Dam is appendix quarter/Arabian. She is a super easy keeper and eager to please. This mare is extremely intelligent and will do anything you ask of her. We did introduce a bit last month and rode her several times, but we prefer that hackamore. She loves people and has always been first to the gate. She is going to make someone an amazing rider in whatever direction you take her. We have 6 broodmares and she just doesn't get the attention she deserves. VIDEO: Contact Seller. FMI: 605-639-5561. Here is a great riding mare for the whole family. She has been used her whole life on the ranch, is great to brand calves on, is very cowy, and a joy to ride around. She would make an exceptional 4-H horse for a young kid who is ready for a step up from the old plug. She has a very kind disposition, easy to catch and shoe, and has packed around all levels of riders, from dudes who hardly know how to ride, to cowboys who want to enjoy a fun day of branding. She still has a lot of life left, and is the same horse every time you catch her, no matter how long she has off. Whether you're looking for something to brand on a few times a year, or a horse to help raise your kids, Marble is your girl! VIDEO: Contact Seller. FMI: Jymme 859-221-6569. Coggins.

Sully
2018 Grade Bay Roan Draft Cross Gelding
Steve Russell Victor, MT

Just take one look at this big 16.1H beautiful 6 year old bay roan draft cross gelding! We call him Sully. If that doesn't make you fall in love with him then check out his video!! Sully is BROKE! He was trained towards ranch riding making him easy to side pass, pivot, he stops with just sitting deep in your seat and his speed transitions are impeccable. He will lope right off in either lead and Sully will lope around on a draped rein and guides right between your legs and reins with little effort. Down the trails he is as honest and trustworthy as they come. Steep rocky hills, thick brush, deep water, bridges he just goes! There isn't a situation we have put him in that he has hesitated at! We started roping cattle on him and he is fun to take out on the ranch. We have broke colts to lead off him as well. Sully would really excel in the trail and ranch horse competitions, but if you're just looking for a good, honest, gentle and safe horse to enjoy, you might as well ride one that is well broke and gorgeous to look at too. Sully was also trained to drive when he was younger. You don't have to ride him every day. He has always been a gentleman with time off. Sully is a super fancy perfect aged gelding that we absolutely love and know you will too! We are moving out of state and unfortunately have to sell Sully. He is one of a kind. He has ABSOLUTELY ZERO BUCK. None. No kick, bolt, bite. Climb on him and go right to work. You can use him to lunge your freshies around, or go catch a cow on a whim- there are no surprises with him. He is fast, he is forward, but he is NOT a runaway. He rides off of our seat, tracks a circle, rides confidently outside, and will spin a hole in the ground. He has a huge stop and is SO COMFORTABLE TO RIDE. Not only does this pony ride like a sports car, but he has the towing capacity of a 3/4 ton pickup truck. If you want to pull a house down, he will damn sure try his heart out to do so. This gelding has been taken ahold of, knows collection, and softness off of your hands and seat. He will ride off your leg or rein, and is one you hand drape the rein and go to work on. He knows his leads, lope departures, and has a LONG trot that can travel some country, or a nice slow trot too! He's had more miles put on him outside than most people seen in their life, works the end of a rope great, and will quickly become one of your favorite mounts. Oliver is a cute, cow bred gelding that has done a little bit of everything. He's broke very nice both in and out of the arena. He has a ton of talent and ability and would make a very cool heel horse or just ride him out on the ranch checking your cows. Stays broke with time off and has a solid one hand neck rein. Oliver is a handy sized, compact made, and cute headed. He should make an excellent mount for the weekend trail rider to the hard working cowboy. Sambo stands 14.2 and built like a tank. He is easy on the eyes, easy to ride, easy to own, and hard to duplicate. He stands out and draws the crowd to him. He is gentle, easy to trim, and a very easy keeper. He has been used in all aspects of ranch work from working cows, doctoring yearlings, dragging calves to the fire, to being used in the arena. He has had calves roped on him as well as being used heading and heeling. He's been used at the sale barn turning back cattle, opening and shutting gates, sorting, and loading trucks. Sambo is a barn favorite and the first one you want to saddle up and use. Has been used all around the country from Wyoming gathering cows in the Rocky Mountains to being hog hunted on in Texas. He is very smooth as well as very talented. He crosses water, logs, and bridges with ease. He will take care of you and get the job done. Whether you want to pleasure ride, cowboy on, rope on or just own a super cool horse this is him. He's one of kind, one that can ride around, and one people don't stop talking about. Patriot is by an own son of the legendary SMART
SPOOK, one of the most accomplished reining stal-
lions of his time. He is out of one of our paint
mares that is cow bred and produces phenomenal
babies with athleticism and good minds. Standing
about 14.2 1/2 this colt has a lot of bone size and
structure. He is going to be sound and hold up well
to a performance career. We have elected to leave
this colt intact because we feel he has the pieces
to be a sire in the future. He could always be
gelded also. Anyone looking for a good young pros-
pect that has been started correctly under saddle
should look at this guy. Take him to the reining
pen, cowhorse arena or rope and ranch on him. All
at the same time, breed some mares to him and he
will produce offspring with athletic ability, good
minds, and color to get you noticed anywhere you
go! This colt is packed with pedigree and well on
his way to proving that he is worth building a paint
horse program around. We would be more than happy
to bring him home and keep training him for his
new owner. This colt did rub a section of his mane
off. VIDEO: Contact Seller. FMI: 307-680-2788.

On track, cruising a correct pattern and showing a ton of potential to be a standout and winner in the barrel and breakaway pen! He is soft, supple, catty, sound, and sane!! Been ridden by my 10 and 11 year old boys. They rope the sled off of him. He is super quiet, and patient with them when we rope. Everything he has been taught is the correct way. Even with kids on him he is soft collected and wanting to sit and work roping. He is on track to rope live cattle. The boys have rode him down the road and out to check pastures. We have hauled him to different arenas and he's the same everywhere he goes. Stands quiet, rides off alone. He is the same horse even with time off. Oliver, is a gorgeous ruby red gelding with a handsome head, perfect blaze, a set of pretty socks, and big brown eyes that will just melt your heart. Built solid, like one should be, he has flawless conformation, a huge hip with a lot of bone, and good-sized hooves. Anything you want to do horseback, Oliver is game. If we ask him to jump, he would say, "Okay, how high." By the way, he enjoys jumping and looks terrific in English attire. A genuine, rocking chair lope- S M O O T H. It is one of the prettiest and smoothest movers and feels like he is floating in the air. He has seen everything from weaving through traffic downtown to the sights and sounds of a rodeo on the fourth of July. Proven to be a one-of-a-kind outstanding money-winning head horse, he is easy to ride and suitable for a lower number roper but will step it up, if need be, for the higher number roper. He is good in the box, can flat run and rate, works off his hock, and has a smooth, snappy face. If you want to win in the ranch riding classes, just enter and go. He will grab the judge's attention. The definition of point-and-go is Oliver; no trail too challenging, no bog too deep, no mountain too high, and no water crossing he hasn't crossed. What Oliver won't do is get you into a "rocky" situation out on the trails- he is CAREFUL! He has lived in the mountains on pack trips, slept under the stars, and watched marshmallows roast at the fire. Oliver has been packed, hobbled, and picketed. He has seen grizzly bears, mountain lions, Moose, and Elk. Our go-to guy - we can saddle or jump on bareback and ride into the sunset! Being taller, he is trained to use curbside mount to make getting on more accessible. Oliver has experienced the fun of flying a kite, working with cow-dogs, and riding with you

We sold his mate two months ago in Billings and now it is Shiners turn. He's catty and quick, has a great handle and really rides off your seat. He will always let you walk out to catch him, gets along with other horses, and stalls quietly. Oliver has a heart and try the size of Montana and turns heads wherever he goes. He's a stand-out individual who will take you to the pay window and the best partner on the ranch and trails. Call us to schedule a time to try him for yourself. Bay Boy is a solid good-looking gelding that is easy riding with the perfect build of a calf horse or heel horse. Stands about 14.2 hands and is about as wide, he has seen miles under his feet, he has been used to gather, sort, and move cattle, we have roped off of him, and he has the arena basics down, which includes loping circles, sidepassing, turning on the forequarters and the hindquarters. He is a very balanced horse with a good solid stop. He has the ranch basics as well and would make a top-notch ranch horse with the build and never ending stamina. He has a very outgoing walk and has a good riding trot. Bay boy has been used to work colts and pony them, has been used as an outrider horse for starting green teams and has helped catch a runaway team. He is an easy keeper. GREG GOGGINS DISPERSAL ABSOLUTE SALE - BLACK TYPE EXTENDED PEDIGREE ~ ONLINE SESSION COMBO SESSION - MATES SLICK DESIGN - Slick has been absolutely one of the best individuals I have ever been around. He is the true outcross with the running on top and extremely cow bred on the bottom. I have owned him since he was a weanling and he has proven himself time and time again. He has been used heavily at the stock yards sorting cattle and seen a lot of miles outside doctoring and gathering yearlings. He is a true gentleman and his disposition is second to none. We have had 4 foal crops out of him now and really really like the conformation, disposition, and athleticism he throws in his colt. Catch him anywhere you see him from the pen at the house to the pasture in the field and walk right up to you in the middle of the mares and stick his head in the halter. He will throw anything from a sorrel to a roan, to a black and a bay. He truly is a great stud to have in your program. VIDEO: Contact Seller. FMI: 406-200-1880. Coggins. SOD40

He helps catch her, puts her out to paster, with grooming and bathing. Pearl has been ridden by kids of all ages at barrel races and playdays and is push button. Breakaway rope on her in the arena or pasture rope on the ranch she is seasoned in both. We have used her on the ranch gathering and sorting cattle. Down the trails she goes through the deep creeks, loves to swim in the lake on the hot days, and goes where you ask her without hesitation. Pearl is one hand broke like a big horse, picks up both leads, moves off leg pressure and is very easy to ride. This is the fanciest all around quarter pony we have had that will fit all the kids in the family. Pearl stands 12.2h, with a stout build and good bone. She is 8 years old and has her whole life ahead of her. We can't say enough good things about her, from riding by traffic, playdays, the ranch, to trails she's been there done that. Come meet Pearl at the sale she will love to say hi! VIDEO: Contact Seller. FMI: Casey 406-897-4717. Coggins.

Cinch
2018 Grade Buckskin Gelding
Bernie & Ann Jones Belgrade, MT

Cinch is a 6-year-old, Grade, buttermilk buckskin gelding that stands 15 hands. He is stout, made with a big hip and hind leg. Has a black leg and hoof on every corner and is a gorgeous buckskin. He is a nice ranch and trail horse that is fun to go ride a and is a gentle kind hearted soul. He is handy broke to ride and will always give you an honest days work. He has a good one hand neck rein and will let you bend and flex him and has all the right buttons on him. He has a super soft way of moving and has a smooth rocking chair lope. Turns around correctly both ways and executes his maneuvers well. He is a pretty mover and has a lot of style. Good to move and sort cattle on and will really watch a cow. Has been roped on lightly and would make an excellent Rope Horse. Logged lots of miles on the trails and in the mountains and handles all the different obstacles with ease. He's a gentleman to be around and has no bad habits. Loads and trailers well, easy to shoe and does not pull back. Has Drug calves to the branding fire as well as headed and heeled and gives you a good shot and pulls hard from the saddle horn. He would make an excellent Team roping or Breakaway horse. This is a nice young gelding at the start of his career. Guaranteed sound. call Tom for more info 406-544-9987.

I have been herding cattle on him recently - he definitely has some cow sense. He has completed the fundamentals, intermediate, and some advanced groundwork of the Clinton Anderson program. He has completed the fundamentals riding and is about halfway through the intermediate riding. I've started desensitizing him to the rope. He has a lot of expression and personality. Lots of heel-o-matic work has been done and she is ready for live cattle. This summer she has been in training at a working cowhorse barn in Canada. She responds well with very light leg pressure and hand commands. She is fast footed and cowy when working the flag. She will work in the branding pen or pasture. He crosses bridges and water with no issues, and kids have ridden him to help me doctor cattle. He is broke to ride and drive single or double and on either side, as well as traffic broke. Jackson has been driven through town and down the trails, shoes without stocks, and he is good with tarps and whips. This was told to me when I bought him. "I'm 71 years old and I have ridden Jackson." I sent him to my trainer so he could get consecutive rides, and to get him with a better handle. He was at the trainers for 90 days. He was ridden outside pushing cattle, tracked the dummy a little, and roped a few slow steers. Jackson is 16 to 16.1 hands. He is gentle and easy to catch. John Braska Charlotte, MI

Sunny Girl is a gorgeous red dun fancy marked paint that stands 12.2 hands (50inches). She is 4 years old and loves kids. All of her training has been done by an 11 year old little girl. And let me tell you she is broke. Sonny travels like a fancy horse. Carries her head level, knows her leads, very soft in the face. She will carry a bit in her mouth but the girls like to ride her in a halter or hack. Sonny has worked the large pastures bringing up cattle, and sorted in the small pens. She's not afraid of a days work. The girls have rode her at the ranch rodeos pushing up stock. Loud noises and the crowd doesn't bother her. She is traffic safe and four wheeler broke. Great with her feet. No issues loading and traveling. Look up *Braska Pony Training* on Facebook for more pictures and videos. VIDEO: Contact Seller. FMI: 517-983-0912. Coggins.

A great filly that has been in our program since January and has exceeded all expectations. She is gentle to her core and has never offered to buck, not even when she was started. She's been used in every aspect of ranch work and is as solid and as enjoyable to use as they come. We really appreciate her mindset. She's the same every time you catch her no matter the weather or time of day. Not only is she gentle and savvy, she is broke and will really ride around correct and soft. She's had many head of cattle roped on her outside, sorted and worked the back of the sale barn, been ranch rodeoed on and our kids ages 6, 11 and 16 have all ridden and used her as well. She's the kind that will last you a lifetime and fit everyone in the family. Her color offers a unique breeding characteristic if you wish to breed her. She carries the silver bay gene and is sired by Silver Prime one of the only two known homozygous silver bay stallions in the world. When barn kept she is a beautiful chocolate color with a silver mane. Currently in her working clothes. VIDEO: Contact Seller. FMI: 936-222-7072. Coggins.

Crack a whip off him, work all day, no bottom to this guy. Was used as a reining prospect by previous owner, sale barn, roping in a pen, open range gathering, and for mounted shooting. Good stop, back, spins, one hand ride. Smooth WTL, great in-your-pocket personality on the ground! Likes to work. Waspy cow! Not much bothers Joe, we've ridden him in THICK timber country. Good with all other animals, needs a job, has a big motor. 9yrs, gets fat off dirt, runs barefoot or with spike shoes at the sales barn in winter. Good hard grey feet.
