**ONLINE SESSION - LIBBY** - 2014 GRADE Palomino Mare. Libby was raised on our ranch.

She has given us a few beautiful colts, but we have decided not to breed her the last few years and just use her as a trail ride horse. She is sound to breed and did breed every time we exposed her. She has respectable ground manners and is aware of her surroundings. Her mom went back to the old Two Eyed Jack breeding. Main reason for selling her is that we just don't use her enough. She has a scar on her right hip that she got when she was very young; it has never affected her, and she has a little spot in her right eye that does not affect her either. She's best suited for an experienced rider. VIDEO: Contact Seller. FMI: 701-640-1610. Coggins. CO44

**All-Around Guy**

**ONLINE SESSION - DUTCH** - 2019 GRADE Grullo Roan Brabant/AQHA Cross Gelding. There is nothing I have found that this horse can't do. Finished on the head and heel side, he makes a great breakaway, team roping, calf roping and overall ranch horse. Hes cowy, catty, and ready to work every day. I have picked up the broncs/bulls off this horse and nothing fazes him. I've rodeoed on him and he's brought home checks each time. I have hunted and packed on this horse throughout the Appalachians, Smokies, Rockies, and all throughout Montana. Gets along with everyone, loads great, easy to catch and saddle. He will ride in a bosal, bridle rig, or any bit/rig. This horse is my go-to for working/breaking colts, trail riding, and getting any job I need done, done. This is a finished horse and is husband, kid, beginner, and grandma safe. Trail ride him, show him, or work him. He excels in anything. He's safe and sane in parades. He knows all about a long days work. We have used him in the feedlot, gathering cattle in rough terrain, doctoring yearlings, dragging calves, and to sort pairs. Take him straight from the pasture to the arena and back him in the box. We have been heeling on him mostly, but he is also a head horse. He leaves the box flat and smooth, really watches a cow, makes a nice corner and gives you that same consistent throw every time. He is great on the trails and will go where you point him. This gelding will be enjoyable to own every day. If you are looking for a rope horse and one you can use on the ranch, this is the gelding for you. VIDEO: Contact Seller. # Special Offering from North Country Quarter Horses

Fred, Linda and Grace Finke • Big Sandy, MT  
www.northcountryquarterhorses.com  
406.378.3199

North Country Quarter Horses (NCQH) is a family-owned ranch in North Central Montana, owned by Fred and Linda Finke. The ranch is located just West of Big Sandy, MT; 30 miles west of the Bear's Paw Mountains and 45 miles south of the Canadian border. NCQH grazes our horses in rough, rocky, flat terrain year-round. Our herd is exposed to extreme heat and bitter cold. This environment helps to create hardy, tough horses that can thrive anywhere. NCQH also run a commercial cattle business. We raise our horses to not only perform in the arena at all levels of competition, but to work cattle and cover ground on the ranch.

The stallions at NCQH are well bred AQHA horses that possess good feet and bone, great dispositions, speed, agility, and conformation. We strive to establish excellence in all aspects of a working or performance horse; stamina, eye appeal, talent, and substance. We focus on breeding performance bred stallions to mares that are both performance and ranch prospects. We select mares to complement our stallions in order to find the perfect balance of speed, performance, cow and foundation lines. Our mares must have keen feminine heads, friendly dispositions, quiet minds, good withers, solid feet, big bone, and size. NCQH cattle are run on big native pastures year-round. We calve in May and June and wean in early December. We have a strong conservation ethic here at NCQH. We work very hard to enhance the natural beauty of the area. Striving to be good stewards of God's creation, we mimic a migrating herd by rotating cattle through many large pasture paddocks. We move and work our cattle using our stallions and ranch raised horses. We use traditional methods for branding and herd management in which our horses are used extensively. We not only raise these horses; we use them ourselves on a daily basis.

NCQH invites you to come take a walk through our pastures. Look at our broodmares and meet our stallions. If you are looking for quality horses that can be used on the ranch or to win at any level of competition, this is the place to look. We hope to see you soon.

The Colby Gines family is roping on a full brother to this colt in Arizona and Wyoming. They really like their colt and they have had a lot of success. We just lost Streak of Fling last month and here is a good grandson out of a foundation bred mare. Hancock Silver King was a great stallion and a great producer; and once again, we have a full sister we kept back for our broodmare band. Kelly Owens has a full sister that she bought for the arena. "Gumbo" produced some great horses for us, including a gray son that just retired from the Dallas, TX police force. He carried the American flag in their parades and helped with crowd control. This is his sister, and she is a hero in her own right. She has produced many good foals for us, including four daughters that are in our broodmare band. Her impact on our program will be felt for a long time. MISS ROANY GUMBO still produces great colts; look at her Black In Da Cash son that is in the sale. "Maude" has a lot of gas left in the tank, she just needs a little hay in the winter. She sells pasture exposed to Black In Da Cash for a May 2025 baby. VIDEO: Contact Seller. She has a great head, kind eye, and a lot of leg. If you are looking for a mare with a big motor, then here she is. LF WAFFLEHOUSE WENDY is an excellent choice for anyone looking for a roping or barrel racing prospect. **ONLINE SESSION - ROOSTER - 2013 GRADE** Bay Gelding. Rooster is a solid ranch horse. Reliable, easy to get along with, and rides to the level of his rider. He is the one I trust to take a kid in front of me, let my 84 year old dad ride, or go doctor yearlings and enjoy the day. He is a good traveler, knows how to get through the rough country, pick his way through the rocks and badger holes, or fight down timber, bogs, creeks, etc. He has had a true ranching job, doctored outside, and branded a zillion calves. Young ropers get along with him well letting them focus on learning how to rope rather than fighting with a green horse. He rides one handed in any bridle you put on him and is safe. He has an "all business" attitude and doesn't quit until the job is done, yet not a busy/nervous type of horse either. Good to shoe, loads in any type of trailer, and stands tied politely. Rooster stands 15.1, and is stout made with excellent bone and foot. In the right country he can be used barefoot and holds up great. Just an all-around nice horse that most anyone should get along with and enjoy. The perfect trail partner for the weekend rider as he can handle time off and remain safe. Goes back to Doc O Lena on top side but sells grade. FMI: 208-221-1090. Coggins. CO95

Plenty of athleticism to go any direction and has the pedigree to back it up. Sired by a son of Dual Pep and out of a High Brow Cat bred mare. He is cowy and wants to use himself correctly. "Ace" will excel with someone that has the ability to make high caliber rope horses. VIDEO: Contact Seller. FMI: 208-221-1090. Coggins. CO96
